<b>power</b>	Is your personal sense of worth based on the power you have or need? If so, <i>Pay Me What I'm Worth</i> explores how your existing sense of power helps or hurts your ability to kindly, gently, gracefully enjoy life and your sense of worth.	Which would you enjoy more: power or long-term good health? Care to have both? <i>Pay Me What I'm Worth</i> explores over 33 different ways to carefully, kindly, ethically build or use your personal power to enjoy good health on many levels.
<b>property</b>	How does the property you own (or hope to own), help or hurt your sense of personal worth? Are you 'house-rich' but 'penny-poor'? Chapter One of <i>Pay Me What I'm Worth</i> explores how your property (home, auto, etc.) represents but a small portion of what you're worth.	Which would you rather enjoy more? An amazing home filled with the finest treasures you can imagine or long-term outstanding health? Wonder how you may enjoy both? Chapter One of <i>Pay Me What I'm Worth</i> explores how property reflects only a fraction of what you're worth. Read this book and be amazed how much property you already have - and most likely don't even KNOW it!
<b>reputation</b>	How does your reputation factor into your overall personal and professional sense of worth? Chapter Five of <i>Pay Me What I'm Worth</i> uncovers a highly unique way to ethically, wisely and gracefully build a sound reputation based on simple steps.	Your reputation is one of the most valuable things you have. Once damaged, how do you repair it? Chapter Six of <i>Pay Me What I'm Worth</i> offers highly unique ways to continue building a stellar reputation. You'll also discover ways to dissolve a less-than-favorable reputation with ease and grace.
<b>respect</b>	How does your sense of respect for yourself or others help or hurt your sense of worth? If you enjoy the respect of others, how do you honor this respect? Chapter's 8-10 of <i>Pay Me What I'm Worth</i> explores highly unique, FUN, easy ways to honor and build respect for yourself and of others.	Think of ONE person you completely, lovingly respect. How valuable is this person to you? What's it worth to you to maintain this relationship? <i>Pay Me What I'm Worth</i> offers over two dozen ways (in the form of highly unique exercises) to help you easily, gracefully and quickly build a healthy sense of respect for yourself and others.
<b>time</b>	WHO or WHAT is worth more than your time? Chapter Four of <i>Pay Me What I'm Worth</i> explores how you use and have used your time in ways that help our hurt you. Once you complete your personal 'Worth Timeline (tm)' - you'll pave the way to enjoying time more fully than ever before.	How well do you use the gift of time? Do you need more hours in the day? Is 'time-management' something you think about but don't actually practice? Chapter's 4 and 8 in <i>Pay Me What I'm Worth</i> offer unique, highly engaging ways to use and enjoy time - well. Take time to do the work in these chapters - it's worth your time.
<b>wisdom</b>	What price would you put on your wisdom? What is it worth to YOU? Do you know? Have you ever thought about how 'what you know' may be worth a great deal to others? Chapter Two in <i>Pay Me What I'm Worth</i> explores how 'what you know' is worth more than you may realize.	Wisdom plays a key role in leading a healthy, happy life. <i>Pay Me What I'm Worth</i> explores how to tap into and USE your inner wisdom with over 33 lively, unique, FUN exercises. As you gain a more complete understanding of just how WISE you are (or might wish to be), you'll enjoy a healthy sense of both wisdom and worth.
